

2021 SUMMER READING

IN YOUR NEIGHBORHOOD

This summer, each library will feature a life-size collage where you can share or show your favorite part of your neighborhood. Add a splash of color, words, a poem or a sketch to illustrate the spirit of your unique community.

0-18

EXPLORE LEARN CONNECT

HOW IT WORKS

Complete any or all of the activities featured in the BINGO squares. When you accomplish a BINGO – five squares in a line in any direction – it's time to celebrate a job well done. The card is yours to keep so cross off as many or as few squares as you like. Your BINGO card is your ticket to explore all that the library has to offer.

FREE BOOK

To celebrate reading, everyone ages 0-18 is invited to visit one of our libraries* this summer to choose a free book.

No registration is needed, just stop by and pick out a new book for your story-filled summer.

Available starting June 1, while supplies last.

B I N G O

Find a new reading spot.

Play a new game.

Draw a picture of what you're reading.
